GRACE PERIOD

Students are expected to be picked up after school within 15 minutes after dismissal (by 3:45 or 1:00 depending on dismissal time), and within 15 minutes after the conclusion of any after school club they may be participating in. Any student still in aftercare after the grace period will be checked in and charged accordingly.

TECHNOLOGY

All technology usage will be monitored and limited during aftercare. Devices are to be used solely for educational purposes and to support students' academics.

SNACKS

There will be designated snack times each day. Please be sure to notify the aftercare team about your child's specific dietary restrictions and needs. We will make every effort to keep the snacks healthy and to include fresh fruits and vegetables.
