- Thursday: 1:00pm and 2:15pm

Cancellation/Refund Policy Due to Low Enrollment

- If a club does not reach the required minimum number of students, the club will be cancelled. You will have the option to get a refund or transfer to a different club as long as space is available and your student is eligible for the club.

Cancellation/Refund Policy Once Clubs Have Begun

- It is discouraged, but if you decide to drop a club after the sessions have begun, please email the Auxiliary Programs Coordinator, who will contact the vendor. IF the vendor agrees to issue a refund to Helios, it will be passed on to you.
- Cancellations will only be accepted within the first two weeks of a club.
- If a club is cancelled by the vendor or teacher for any reason, students in that club will receive free aftercare for that day. Every attempt will be made to reschedule the club for a different date.

For any questions, please reach out to our Auxiliary Programs Coordinator, [Rebeca Flores](#).
